1. A parent agrees to attend a kickoff meeting, prior to each sport played, which shall be scheduled by the Athletic Director.
2. A parent shall be responsible for dropping off and picking up his/her child at their designated time at every athletic practice or an athletic event. **Parents are not to drop a child off without checking to see if a coach is present.**

4. On the first occasion that a parent is late in picking up his/her child, the Coach shall give a written warning to the parent. The second time that a parent is late in picking up a child; the parent will be personally contacted by the Athletic Director. On the third occasion that the parent is late, the child will either be suspended or removed completely from the team at the coaches' discretion. For purposes of first, second, or third episode, each sport will be considered separately. Therefore, tardiness in picking up a child during football season will not be carried over to a different sport such as basketball.
5. Any dissatisfaction by a parent with the enforcement of the above rules will be handled by the grievance committee of the Advisory Council of St. Michael School.

ATHLETIC ELIGIBILITY

To be eligible for athletics (being on a team or practicing with the team) under the scholastic rule, a student must have a grade point average of at least **1.66** based on the following subjects (English-Spelling, Reading, Math, Social Studies, Science, Religion) and have no F's in these subjects, and no **D, F or "U"** in conduct, Physical Education, Enrichment, or Computer. (1) The grades at the end of each 9-week period determine eligibility for the following 9-week period. The last 9-week average of the previous school year is used to determine eligibility for the first 9-weeks of the following school year. (2) A student under suspension will have a mandatory 1 game suspension including any upcoming tournament, track meet or golf match. The student will not be allowed to participate in practice. A student has only one year of 8th grade eligibility. If a student is sent home during the day for disciplinary reasons he/she will not be allowed to participate in athletic events (including practice or games or events) or events at other schools for the remainder of the day. The scholastic rule applies to all student athletes, managers, and cheerleaders. The Athletic Director is responsible for submitting to the principal and to the coach/moderator a list of students ineligible to play at the end of each quarter using the designated form. The Athletic Director is also responsible for issuing forms to students and parents. All tuition and fees must be current and up to date before a student can participate in a sport.

ALL SPORTS PLAYING RULES

Being a student in St. Michael School is not a ticket to participation in Athletics. Every student has a right to “try out” and to have his/her abilities fairly evaluated by competent personnel, but not an absolute right to participation. If a team minimum is not reached, that grade may not be able to participate.

FOOTBALL - No limit for the team. The coaches will try to play a 5th quarter for the players that did not get a chance to play during the game. This will only be possible if the other team's coach agrees to play the fifth quarter.

VOLLEYBALL - 6th GRADE - The coaches will make every effort to play every player for each match. No one will be cut from the team so that everyone can have a chance to play.

7th GRADE - The coaches are requested to try and play everyone during the match. The team may be cut to 12 players should more than 12 try out.

8th GRADE - The coaches are requested to try and play everyone during the match. The team may be cut to 12 players should more than 12 try out.

BASKETBALL – 5th and 6th GRADE TEAMS - The coaches will make every effort to play Everyone at least one quarter. No one will be cut from the team and everyone will be given an opportunity to play.

BOYS 7th AND 8th GRADE - The coaches are requested to try and play everyone during the game. The team may be cut to 12 players should more than 12 try out.

GIRLS 7th AND 8th GRADE - The coaches are requested to try and play everyone during the game. The team may be cut to 12 players.

SOFTBALL –The coaches are requested to try and play everyone during the game.

BASEBALL - The coaches are requested to play everyone at least one inning.

TRACK – 6th, 7th, & 8th GRADE BOYS AND GIRLS. A 5th grade student may run track in long distance only and only if there is a position available.

GOLF – 6th, 7th, and 8th graders. Golf may be cut to 12 players.

CHEERLEADERS - 8th GRADE GIRLS - No tryouts will be held for cheerleaders.

Team Minimum: Volleyball – 8, Basketball – 8, Baseball/Softball – 10

Every effort will be made not to cut teams, taking into consideration league rules, class size, and availability of coaches. Larger teams, however, by design affect individual playing time.

Athletes will be allowed to play and practice for only one sport at a time. Once the sport is completed the athlete may participate in the next sport. Every effort will be made to run only one sport at a time. The above rule does not apply to cheerleading, golf, track, baseball and softball, as long as coaches can work it out.

ST. MICHAEL SCHOOL ATHLETIC SPORTS POLICY FOR ALL SPORTS AND GRADE LEVELS

Players who miss practice or a game without valid excuse will not play in the next game. Two unexcused missed practices may result in removal from the team. (Coaches will decide if the excuse is valid or not.)

Parents are responsible for picking up and dropping off of their child on time at the end of practice and game.

Drop off only athletes (no one else) for a scheduled practice no earlier than 5 minutes before the scheduled practice time.

Please check the gym, field or track and make sure the coach is present before dropping off your child for a practice or game.

Parents will be required to work the gate/concession stand on a rotational basis. St. Michael School depends on admission fees and concessions to pay Referee fees and incidentals. Not reporting to work at scheduled times (parents) will lead to your child not playing in that day's game or the next. A parent may switch work times with another parent or get a high school student to work their shift. Any changes made in the work schedule, please notify the Athletic Director.

Students must be present at school for 3.5 hours on a game day to be eligible to participate in sports, unless the student has a scheduled doctor appointment for which they must present a doctor's excuse verifying the appointment date.

School rules apply not only to the school day, but also to field trips, sporting events, and extracurricular activities. St. Michael School students should remember that they represent the school at all times and they must never bring discredit to their school. St. Michael students should strive to live by the school philosophy at all times. (See Parent/Student Handbook) Receiving a banner will be an 8th grade privilege and will be awarded to any 8th grade team who wins first place in their division and wins first place in the League Tournament.

Parents are required to attend a meeting, prior to the start of any sport, with the Athletic Director or his designee and/or the coaches. A child will not be allowed to practice until this meeting requirement is met.

Parents, coaches, moderators, and administrators have a responsibility to model good sportsmanship and good Christian values. It is their responsibility to help students win gracefully, accept defeat gracefully, and how to demonstrate good sportsmanship.

Your child is playing sports for fun. Everyone wants you to enjoy the game also. This information is being provided in an effort to assist you and your child in gaining the maximum benefit possible from each sport St. Michael School offers. Following are some simple rules you should observe. Please consider them carefully.

- **Do not shout instructions to your child.** This only causes confusion, since the coach has already instructed your child on how to play. If you do shout instructions, your child will probably try to please you and the coach at the same time. In trying to do two things at one time, the child may be unable to do both.
- **Cheer for your child when he/she plays well.** However, remember that your child is a member of a team. Let the other players know you support them, too.
- **Suffer in silence (or moan softly) whenever something occurs that goes against your child's team or when coaches make what you consider a bad decision.** A display of anger may inflame a delicate situation resulting in embarrassment for you or your child. Coaches give their time to St. Michael School, so be patient during any sporting event. If you feel the need to discuss a particular situation about your child, please follow this order to express your concern:
 - Coach
 - Athletic Director
 - Principal

THEY WILL HANDLE THE SITUATION AND TAKE APPROPRIATE ACTION.

No Sunday events – (this includes practice, games, tournaments and meets.)
Diocesan Policy: DP 4001

Do not run up and down the court. Find a comfortable place to sit down or stand, relax and enjoy the game.

Do not shout insults or verbally abuse the referees. It's hard for a child to learn respect for the referee or other officials when their parents set a poor example. The referee has the power to stop the game if the crowd becomes discourteous.

Set the tone for good sportsmanship by adopting a positive attitude if your team loses. Compliment your child for his/her good plays and ignore the mistakes. The coach will point those out to him/her soon enough. Your child will be happy you noticed their qualities.

Unsportsmanlike conduct by any player will not be tolerated and may result in removal from the game. Severity could lead to removal from team.

If a child is ejected from a game, he/she will have a mandatory one game suspension. The infraction will be reviewed by the Principal and the Athletic Director and depending on the severity of the infraction, the child may be given more than a one game suspension or removed from the team.

If you are asked to leave an athletic event either at St. Michael School or at another school, please comply with request of the official.

Athletic eligibility under scholastic rule: Read St. Michael Athletic Board By-Laws and Parent/Student Handbook.

Medication/Illness

Over the counter or prescription medication is not allowed to be given to students by coaches or moderators. If your child requires medication, please take care of this yourself before or after a game or practice, or students remain at home.

If a child has an allergy or requires an Epi Pen or breathing apparatus, the parent must in-service the Athletic Director and the Coach as to how to provide medication and submit all medical forms signed by the physician to the Athletic Director as well as provide an Epi Pen for the coach to have at practices and games.

If a student is injured the Athletic Director has the right to receive a doctor’s statement attesting to the fitness and ability to play before allowing the student to participate in athletics.

Behavior Expectations

1. Harassment: See St. Michael School Parent/Student Handbook, pages 43-44
2. Expected Behavior: Consequence Policy (i.e. Harassment) St. Michael School Parent/Student Handbook rules and regulations will be followed.
3. If any harassment or inappropriate behavior occurs, it should be reported immediately to the Athletic Director and/or Principal.
4. If any child bullies or harasses another child, whether it is an opponent or teammate, they will be put on a contract. If the behavior continues, they will be given a one (1) game suspension and will face the possibility of removal from the team.
5. Cell phone policy – Parent/Student Handbook, pages 17-18.

I/We have read the St. Michael School Athletic Program Policy Manual 2017-2018 on the preceding pages and we agree to support all of these rules.
