

St. Michael Alma Mater

Here as the evening falls- softly our voices- rise in a melody- each heart rejoicing. Yet with the eventide-falls too a memory-blessed with the thought of years- burning so tenderly-Here in the heart of me- whispers a song to thee-
God bless St. Michael- God keep St. Michael!

Quietly the shade of night- folds all the day to sleep- enfolds the heart of me-all of thy love to keep- Others in years to come- when on we've wandered- will bless thee for thy care- and graces tendered- Yet we'll in spirit there- in spirit breathe a prayer-

God bless St. Michael- God keep St. Michael!

I'm A Student of St. Michael

I'm a student of St. Michael.
Proud to tell the world it's so.
As a student of St. Michael,
I'll support my school wherever I go.
No, I'll never prove disloyal.
I will strive with all my might.
I'm a student of St. Michael,
And I know I've chosen right, right, right!
I'm a student of St. Michael,
and I know I've chosen right!
