

After the Bell Snack Sale Information and Form

About ATB Snacks

- Nut-free snacks and juice are provided every day free of charge to every child who attends ATB.
- Children may also bring their own snacks (nut-free) from home. Please make sure that snacks are easy to open and not excessively messy and that drinks have tight lids or are disposable.
- Extra snacks (nut-free) are available for purchase daily for \$1-2 each.

Snack Credit System

- ATB has a snack credit system, where parents can send a lump sum through cash or FACTS and choose how much money each day their child can spend. **We highly encourage the use of the Snack Credit Account as it keeps children from having cash on them, which can be lost or taken.**
- Purchases using the snack credit system will be recorded daily to show what each child buys.
- When a child's funds get low, parents will be alerted so they can send more money, if they like.
- If using cash, please be aware that due to our limited snack time, we will only accept paper bills and quarters in an effort to get the children served more quickly. Dimes, nickels, and pennies are NOT accepted.*
- Since PK3 does not eat snack with the rest of ATB, they will receive the regular ATB snack but will not participate in the Snack Sale.
