

After the Bell Snack Sale Information and Form

ATB students in any grade may either bring their own nut-free snacks from home, purchase food from our Snack Sale for \$1-2 per snack, or receive the free snack through the cafeteria from the federal free snack program.

Snack Credit Account

- Participating families can send a lump sum through cash or FACTS and choose how much money each day their child can spend. **We highly encourage the use of the Snack Credit Account as it keeps children from having cash on them, which can be lost or taken.**
- Purchases using the snack credit account will be recorded daily to show what each child buys.
- When a child's funds get low, parents will be alerted so they can send more money, if they like.
- ***Due to our limited snack time, if using cash, please be aware that we will only accept paper bills and quarters. Dimes, nickels, and pennies are NOT accepted.***

***NEW* PK3 & PK4 Snack Sale Program**

In the past, we have found that PreK students were overwhelmed with all of the choices available in the Snack Sale and that many of those foods were not appropriate for the younger students. So beginning this year, we will be offering 2 sizes of snack packs to the PK3 and PK4 students wanting to participate in the Snack Sale.

\$1 Snack Pack - includes 100% juice and a small snack (pretzels, goldfish, Gogurt, Slim Jim, etc)

\$2 Snack Pack - includes the \$1 Snack Pack plus an extra snack like chips, muffins, cookies, etc.

****Candy, ice cream, and hot chips will never be given as snacks to PreK students.****
