

## After the Bell Snack Sale Information and Form

### About ATB Snacks

- Nut-free snacks and juice are provided every day free of charge to every child who attends ATB.
- Children may also bring their own snacks (nut-free) from home. Please make sure that snacks are easy to open and not excessively messy and that drinks have tight lids or are disposable.
- Extra snacks are available for purchase daily for \$1-3 each.

### Snack Credit System

- ATB has a snack credit system, where parents can send a lump sum through cash or FACTS and choose how much money each day their child can spend. **We highly encourage the use of the Snack Credit Account as it keeps children from having cash on them, which can be lost or taken.**
- Purchases will be recorded daily so that there is a record of what each child buys.
- When a child's funds get low, parents will be alerted so they can send more money, if they like.
- If using cash, please be aware that due to our limited snack time, we will only accept paper bills and quarters in an effort to get the children served more quickly. Dimes, nickels, and pennies are NOT accepted.*
- Since PK3 does not eat snack with the rest of ATB, they will receive the regular ATB snack but will not participate in the Snack Sale.

## Snacks for Sale

### \$1 Snacks

- Candy (Airheads, Sour Punch Rainbow Straws, York Peppermint Patties)

## After the Bell Snack Sale Account Form 2024-2025

For your convenience, After the Bell allows you to set up a credit account for your child to purchase extra snacks. The full list of available snacks for this year can be found on the attached sheet. **All snacks cost \$1-\$3.** Please indicate below how much money you are putting in the account, how much money each child is allowed to spend each day, and if there are any snacks that your child is not allowed to purchase. When your child's funds become low, we will notify you so that you can reload the account, if you like. *Snacks may change during the year depending on our suppliers.*
