St. Michael School

Forward to Parents

We, the faculty and staff of St. Michael School, commit ourselves to being a living example of Catholic values, to model the faith through example, and to lead our students to academic excellence and an awareness of what it means to be of service to one another. We do this with love and compassion as we strive together to continue the traditions of St. Michael School in an atmosphere that is nurturing and supportive.

This handbook was designed to assist you as parents. It will familiarize you with the policies of St. Michael School, but more importantly, it will enable you to assist and support your child's education and activities. The regulations and other provisions outlined in this handbook are considered a contractual agreement between St. Michael School and each parent and student enrolled in the school.

The administration reserves the right to amend this handbook for just cause. This handbook replaces all handbooks published by St. Michael School before August 2025.

All parents and students are required to read the handbook and sign the Handbook Form annually. Parents are also required to sign the Parent Cooperation Statement annually. These signed forms are part of your contract with St. Michael Catholic School.

Thank you for choosing the gift of a Catholic education for your child's growth and development. We are grateful to you for having selected St. Michael School.

Parent Cooperation Statement

An integral part of the educational philosophy of St. Michael School is the conviction that the school assists the parents/guardians in carrying out their primary responsibility of providing for the religious and secular education of their children. An ongoing positive working relationship between the parents/guardians and the school is critical to the success of the school and the students. As part of that working relationship, parents/guardians are expected to be involved as much as possible in the educational process, to refrain from conduct which thwarts the orderly administration and operation of the school, to support and participate in school activities, and to provide instruction to and set positive examples for their children both at home and in the community. While St. Michael School encourages the constructive exchange of ideas, feedback and suggestions intended to foster the continued growth and improvement of the school, St. Michael School is ultimately responsible for the orderly administration and operation of the school, including the policies and procedures implemented to achieve the school's goals. St. Michael School reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school's administration that (1) a positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or (2) that the parents/guardians have failed to provide the support, assistance and example necessary for the religious and secular education to which each child is entitled. Furthermore, failure on the part of any student and/or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student's enrollment from the school. Annually, parents are required to sign the St. Michael School Parent Enrollment Contract which is a binding legal document. In the event of a natural disaster, disease outbreak or any other circumstances which, in the judgment of the school administration, make it infeasible, unsafe or otherwise imprudent to continue campus-based education, school shall resume as soon as practical via distance learning and/or other methods adopted and/or developed by the school administration and faculty. Due to continuing financial obligations relating to operational costs, including administrative, faculty and staff salaries, there shall be no suspension, reduction or refund of tuition or applicable fees.

Mission Statement

The mission of St. Michael School is to promote growth in faith, scholarship, leadership, and service and to build a faith community rooted in gospel values centered on the Eucharist.

Philosophy

St. Michael School has a rich tradition of faith, scholarship, leadership, and service which has been passed on through the years since it was founded by the Sisters of the Most Holy Sacrament in 1900.

The faculty is dedicated to the Church's mission to proclaim the Gospel and to "Teach as Jesus Did." As disciples of Jesus, the faculty strives to lead young minds to find God's presence in the ordinariness of life and to see the relevance of Gospel teaching in daily life. Spiritual growth is fostered through liturgy, prayer, reflection, compassion and forgiveness, inspiring students to live as Jesus commanded each of us to love and serve one another.

We believe:

- In providing a strong Catholic education centered in the person of Jesus Christ steeped with teachings in faith and morals and inspiring students to live as Jesus commanded.
- That Christian leadership is developed through service to the school, church, and wider community by building the Kingdom of God through living, loving, and serving one another.
- In providing an excellent academic education using the latest and best research-based instructional practices.
- In preparing our students to assume responsible roles in an ever increasing globally inter-dependent society by striving to foster their desire to seek wisdom and truth, equal justice, and the discipline to become independent learners with the capacity to make moral decisions and the responsibility to transform and enrich the world with gospel values.
- In using every teachable opportunity to model, guide, and instruct students while striving to educate the whole child, providing for their individual differences and unique gifts.
- In a commitment to form a faith-filled educational community giving priority to developing the trust and support of our parents who have the primary responsibility for educating their children in the teachings of the Catholic faith.
- That the development of an enduring character is essential not only to guide a student's behavior, but also to enable them to live happy fulfilled lives in accordance with the teachings of the Catholic faith.

Product Statement

Upon completion of St. Michael School, each child will have been taught to develop individually as a Christian who lives as an integral part of the Catholic faith community. The students are encouraged to approach academic challenges openly, to understand and accept personal and social responsibilities through service to the Church, community and their country, and to value life, family, country, freedom, and opportunity.

Accreditation

St. Michael School is fully accredited by the Roman Catholic Diocese of Lafayette, the Louisiana State Department of Education and the Southern Association of Colleges and Schools, and Lumen.

Non-Discriminatory Policy

"St. Michael School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the organization. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship programs, and other organization – administered programs."

Sexual Identity Policy

Saint Michael School is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Roman Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Roman Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded and safe environments are fostered. When parents send their children to Roman Catholic schools and when persons choose careers in Roman Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Roman Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

History of St. Michael School

The history of St. Michael School dates back to the early days of the town of Crowley. In 1899, Father Peter H. J. Van Alfen was appointed the first pastor of St. Michael's at Crowley, which had been a mission of Iota. The Catholic population of Crowley was sparse, yet Father was eager to organize the parish. He contacted Mother Mary Augustine of the Sisters of Perpetual Adoration in New Orleans and asked her to establish a school and to send sisters to teach the children of his parish.

Mother Augustine arrived in Crowley with five pioneer sisters to begin teaching the children. St. Michael Church served as both school and church. The classrooms were on the first floor of the building located on the corner of Avenue F and Hutchinson and the second floor was used exclusively for religious services. In September of 1900 St. Michael School began classes.

In 1902 additional land was purchased on Block 79 and construction began on the convent. Mother Clementine became the first Reverend Mother of the new convent in that same year. The beginning was difficult for the sisters, but with the help of the people in the parish, the school was able to survive and grow. A boarding school was opened to increase enrollment and to accommodate children whose families lived in the country. The curriculum was very similar to those offered in the finest schools in Europe. The school grew steadily and in 1925 St. Michael High School became a state approved high school. At that time the school was recognized for having one of the finest libraries in the state of Louisiana.

The Right Reverend Monsignor George Mollo was appointed Pastor of St. Michael's Parish. He endeared himself by his kind ways to all the people, young and old. He built a well-planned, beautiful, two-story brick building for the children of his parish. The new school was built on the corner of Avenue F and Hutchinson Avenue in 1935. This building stands on the site of the original school and church. The pre-kindergarten through third grade students attended class in the building each day through May, 2005.

Monsignor Mollo resigned in 1951 due to failing health. The Most Reverend Maurice Schexnayder, Auxiliary Bishop of Lafayette, became the new pastor. He found a track of land large enough to build a new St. Michael High School. The high school students and the eighth grade students moved into the new facility in October of 1954. Notre Dame High School of Acadia Parish began in 1967. St. Michael was one of the parishes who helped to form this consolidated high school. As a result of this consolidation, St. Michael School on Avenue F and Hutchinson Avenue became a kindergarten through seventh grade facility.

During the 1979-80 school year St. Michael School moved grades fourth through eighth into a new school facility built on Northern Avenue. The Hutchinson Avenue site remained a kindergarten through third grade school. In 1984 ground-breaking ceremonies were held for the new multi-purpose facility on the East Campus. The facility was to be the home for a gym, computer lab, band room, stage, and other classroom facilities. The third-grade classes were moved to the East Campus in 1985 when the school year began. A pre-kindergarten class was added to the West Campus in 1986. The third-grade students were moved back to the West Campus for the 1994-95 school year.

In 1985 St. Michael Elementary School was recognized by the United States Department of Education as one of 272 outstanding elementary schools in the United States. Thirty-five of the schools were Catholic schools and two were from the Diocese of Lafayette. The school received the recognition in special ceremonies in Washington, D.C. Sixty-two students and fourteen teachers and parent chaperons traveled to Washington for the ceremonies and were present when Secretary of Education, William Bennett, presented the Excellence in Education flag to the school. On September 12, 1986, a special Mass and celebration were held in Crowley and the school received the award from the United States Department of Education.

In June of 1991 St. Michael School received the first Excellence in Education Award presented by the Diocesan Food Services Department. The school was again recognized by the Diocese with this award in 1999. This award recognized St. Michael School, administrators, faculty, students, parents, and staff for their efforts in working together to provide the children maximum learning through a total school program and enhancement of the curriculum through nutrition awareness and inter-disciplinary units.

In November 1998, Pio Cardinal Laghi, Prefect of the Congregation for Catholic Education, visited the Diocese of Lafayette. St. Michael School was chosen as a site for the Cardinal to celebrate a liturgy with the Catholic school students in the city of Crowley. This liturgy, celebrated on November 9, 1998, was a historical event in the history of the school.

On October 5, 1999, St. Michael School officially opened its centennial year of celebration. This historical year opened with a liturgy in St. Michael Church marking the occasion. It was attended by faculty, parents, students, alumni, friends, and former teachers in the community. Bishop Edward O'Donnell, Bishop of the Lafayette Diocese, and Bishop Michael Jarrell, Bishop of the Houma – Thibodeaux Diocese, presided at the liturgy. In November of 2000, as the centennial year was coming to a close, the alumni of St. Michael School gathered together for a liturgy of Thanksgiving and a reunion. The event was held on the East Campus and was well attended by alumni of the school.

In 2001 Fr. Louis Richard, Pastor of St. Michael Church Parish, wisely assembled a parish meeting to address the needs of St. Michael Church Parish. The result of that assembly was a Feasibility Study and a Capital Campaign to address the needs of the parish which included consolidation of the East and West Campuses. On June 3, 2004, St. Michael Parish, under the leadership of Pastor Fr. Gary Schexnayder, officially broke ground to begin construction of the new addition which allowed the East and West Campuses to consolidate on the Northern Avenue Campus. It was a historical moment in the 104-year history of the school witnessed by a dedicated group of St. Michael supporters including members of the school board, parish council, the pastor, administrators, faculty, staff, and students.

St. Michael School began classes for the 2005-06 school session on a consolidated campus for the first time in many years. The new facility provided new state-of-the-art Computer and Science Labs, a new Library, Art Room, and classrooms for pre-kindergarten through third grade as well as renovation to the administrative office wing. The new addition was dedicated and blessed on October 11, 2005. Bishop Michael Jarrell, Bishop of the Lafayette Diocese, presided at the Liturgy of Thanksgiving celebrated by the school community. The mass was co-celebrated by Chancellor and Pastor, Father Gary Schexnayder, and former pastor, Father Louis Richard. Superintendent of Schools for the Diocese of Lafayette, Anna Larriviere, and Principal, Myra Broussard, also addressed the group of students, parents, alumni, parishioners, and friends gathered together for the celebration.

In the fall of 2005, St. Michael School opened its doors and welcomed over 50 additional students into the school as a result of Hurricanes Katrina and Rita. In March of 2006, St. Michael School was awarded Southern Association of Colleges and Schools Accreditation by a peer review team that visited the school. The assessment culminated a three-year process of self-evaluation and reflection by the administration, faculty, staff and parents. The school officially received the designation in ceremonies in December of 2006. Principal, Myra L. Broussard, and SACS Steering Committee Chairmen, Sandi Dore' and Karen Spaetgens, traveled to Atlanta, Georgia to the SACS-CASI conference to receive the official designation and flag for the school.

In May of 2006 a monument was dedicated on the campus to house the time capsules of the school. The monument was blessed in special ceremonies and was a gift from the 1987 and the 2002-2005 eighth grade classes. The time capsule was opened for the first time in 2012, twenty-five years after the initial one was buried. Celebrations were held to mark the event.

In March of 2008 a large playground was funded, which was designed and built by the parents of St. Michael School. It was blessed by Chancellor, Fr. Gary Schexnayder. The playground project fulfilled a goal of the PTO-Angel Parent Network. St. Michael School community celebrated its 110 years of service to the Crowley community during the 2009-2010 school session. The alumni gathered together for a reunion on campus in April of 2010.

On May 13, 2013, the 96th anniversary of the Blessed Mother's appearance at Fatima, the grotto in her honor was blessed on campus. The grotto is a gift of our grandparents in 2011 and the Knights of Columbus Council 1318. The rosary prayer garden, a gift of one of our families, was blessed by Fr. Mikel Polson, Pastor of St. Michael Church, in the presence of students, faculty and guests.

During the 2014 – 2015 school session, the school's technology lab and mobile units were updated allowing 120 students to be tested online for standardized tests. This update was a gift from the generosity of parents and supporters. St. Michael School parents, students, alumni, faculty and staff joined together and contributed funds to purchase the Marian Statue that will be in the newly renovated St. Michael Church. The statue was donated in gratitude to St. Michael Church Parish for their dedication and support of its parish school, St. Michael School.

During the (2019-2020) school year, St. Michael School began an "After the Bell" program which allows students to remain on campus until 6:00 p.m. In a well supervised and loving environment, students receive afternoon snacks, help with homework/studies and ample opportunity for creative play and fun.

In February of 2021, St. Michael School began construction of a much needed and long awaited Pre-K3 building. The building, located just outside and north of the present middle school and jr. high building, houses two large classrooms, each with its own bathroom and ample storage. The inaugural Pre-K3 class opened for the 2021-2022 school year. Pre-K3 is designed to introduce children to the love of Jesus as they discover new and exciting ways of learning through integrated and guided activities and play.

Due to the hard work of many involved in our success throughout the years, St. Michael School continues to offer an exceptional education while keeping up to date with all best practices in education and technology. We remain grounded in our Catholic beliefs while promoting and instilling the four pillars of our rich tradition: faith, scholarship, leadership and service and will continue to serve our school community for years to come.

Academics

Classroom Instruction

St. Michael School curriculum and instruction are aligned to national standards which meet and often exceed the highest standards in education. St. Michael explores and implements classroom structures that promote the best practices of teaching and learning in all academic areas with an integration of technology in each content area. We utilize research-based strategies and instructional resources geared toward developing a strong foundation, critical thinking and reasoning skills. Varied and flexible methods of delivery promote student engagement and enjoyment of learning. St. Michael students are provided continuous and challenging opportunities to excel in our academic setting.

Classroom Division and Placement

Every attempt is made to divide the class academically, behaviorally, social emotionally, and by gender to meet the needs of all students taking into consideration what is best for each child to succeed.

Parents must request an appointment with the principal for any **unusual circumstances** by June 1st. This request may not always be granted.

Class lists are not published until August and no changes will be made after the list is published.

Instruction and Individual Student Needs

Tier 1 Instruction:

All students receive instruction in the classroom using research-based curriculum, programs, textbooks, and teaching strategies. All Kg-5th grade students receive instruction through Amplify Boost, an online, individualized, adaptive reading program. Students in grades 1-8 receive instruction in IXL, an online individualized, adaptive, instructional program in reading and math. Each child receives instruction with age/grade-appropriate assistance to make academic growth. Reasonable accommodations including, referential seating, repeated/rephrased directions, and redirection are provided when needed.

Tier 2 Instruction:

Student performance data from class assignments, quizzes, tests, and observations, along with grade applicable data from Star Tests, Amplify Boost, Acadience benchmarking and IXL are used to identify Kg-3rd grade students in need of small group instruction with a certified teacher/interventionist. Small groups are developed by the admin team, are fluid and change on a need basis without notification.

An IAP (Individualized Accommodation Plan) may be implemented to document accommodations being consistently provided to a student performing *below* average to prevent the student from failing. An IAP is not implemented to help a student maintain the principal's list, honor roll, or As, Bs, and Cs.

A SISA (Success In School Agreement) may be implemented to establish the necessary student, parent, and teacher goals needed for a student to experience success.

The Title I After School Instruction Program, which provides small group assistance from a certified teacher, may be recommended for qualifying students depending on certified teacher availability. Qualification for participation is based on criterion standardized test and/or screening scores.

If Tier 2 interventions are successful, interventions will continue. If Tier 2 interventions are unsuccessful, new interventions will be implemented for six weeks. If interventions improve student performance, interventions will continue. If interventions do not improve student performance, new interventions will be implemented for six more weeks. Students who are not

making growth after twelve weeks of Tier 2 instruction may be referred to the Acadia Parish Special Education facilitators for a full evaluation to identify a possible learning disability.

Tier 3 Instruction:

Tier 3 instruction (resource pull out services) are provided when a student has been identified as having a learning disability through a full evaluation conducted by the Acadia Parish Special Education Diagnosticians after all interventions have been provided and deemed unsuccessful.

Parents will be contacted when concerns in the areas of academic, behavioral, attendance, motivation, and/or effort are identified. If more assistance than can be provided at school is needed, it may be recommended that parents provide additional assistance or secure a tutor for remediation/instruction to help the student make academic growth.

Enrichment

Enrichment classes provide students with opportunities to develop basic understanding and skills in subject areas outside of the core content. Students receive enrichment in Art, Music, Physical Education, Spanish and/or STEM.

Assignments / Homework / Missed Work

Teachers and parents share the responsibility for regular communication concerning a child's performance in the classroom. Research shows that when a partnership approach between parents and teachers is evident, children's work habits, attitudes about school and grades improve. They demonstrate better social skills, fewer behavioral problems and a greater ability to adapt to situations and experience success.

Classwork and test papers are sent home for parent review and signature in grades K-5th. 6th-8th grade tests can be reviewed by parent request. Parents are encouraged to contact the teacher for clarification or to discuss areas of concern. Teachers will maintain close contact with parents when a student is not working up to expectations. Some teachers make information available online to students to assist with assignments and home study. Grades are available to parents and legal guardians of students in grades 2-8 online via FACTS.

Students are responsible for getting their homework completed in a timely manner set by the teacher. In case of an extended illness, parents are asked to contact the student's teacher to discuss a plan for assignment and test completion.

In the case of a pre-planned absence, parents must contact the principal and teacher(s). It is the responsibility of the parent and student to obtain assignments from the teacher(s) prior to the absence. All missed assignments and tests must be completed by the deadline set in the Pre-Planned Absence Agreement between the teacher(s), administration and parents.

The responsibility of obtaining and learning any missed work/content/skills for unexcused absences or tardy arrivals is on the student and parents.

Parental Academic Support

Parental support is very important to our students' success. It is important that parents, teachers, and administration support each other and work together for the best interest of all students. Parents are asked if there are any concerns or questions to contact their child's teacher to discuss concerns.

Parent Involvement

There are a number of ways in which a parent can help with student success:

- **Consistent attendance and on time arrival.**
- Arrange a place for their child to complete home study free of interruptions.
- Assist their child in making a scheduled time for home practice each day.
- Check to see that all homework is properly completed and that all books and necessary school supplies are brought to school daily.
- Encourage your child to extend interest aroused in the classroom through reading for pleasure, hobbies, and family trips to educational locations.
- Checking your child's planner or Google Classroom daily for assignments. (Grades 2 – 8).
- Parents are encouraged to meet with the teacher if their child is having difficulty completing his or her assignments.
- Review your child's skill level in the iXL diagnostic.

Student Progress Reporting

Progress Reports

All parents and legal guardians of students in grades 2-8 will receive via email a mid-quarter progress report in all subjects. Please review and contact your student's teacher if you have any questions or concerns.

Academic Reports

An official Academic Report may be used to notify parents of an academic concern in addition to Progress Reports and Report Cards. Academic Reports must be signed by parents and returned to school.

Report Cards

Report cards are mailed to parents/legal guardian quarterly. Please review and contact your student's teacher if you have any questions or concerns.

Conduct Grade Explanation

Grades 2-3

Students in grades 2-3 will receive a weekly conduct report. Students in grades 2-3 receive a conduct grade on their report card using the grading system previously listed. A grade of 93 or below on the conduct average will keep a student off of the Principal’s List. A grade of 86 or below will keep a student off of the Honor Roll.

Grades 4-8

Students in grades 4-8 receive a conduct grade on their report card using the grading system previously listed. Card infractions, detentions, and suspensions will result in conduct points being deducted from the nine weeks conduct average. One for dress code and responsibility and two points for each behavior infraction, 5 points for each detention and 10 points for each suspension.

A grade of 93 or below on the conduct average will keep a student off of the Principal's List. A grade of 86 or below will keep a student off of the Honor Roll.

Promotion / Retention / Failure Policy

In each subject that receives a letter grade, the student must earn at least four quality points. Two quality points must be in the second semester of the school year to be promoted to the next grade.

Quality points are assigned as follows: A=4, B=3, C=2, D=1, F=0

Pre-Kindergarten / Kindergarten / First grade

- At the pre-kindergarten, kindergarten and 1st grade levels, Promotion is based primarily upon the child's mastery of grade level skills and/or social-emotional development as indicated on the Report Card.
- If weakness occurs, the school reserves the right to have the child repeat the year in order to have more time to mature and acquire the skills necessary for success at the next academic level.
- A student must earn an S or N on all (*) indicated reading and math mastery skills on the report card to be considered for promotion.

Second grade / Third grade

- In 2nd or 3rd grade, A student will repeat the current grade if he/she fails to master basic skills needed to move on to the next grade level.
- If a student fails reading, language, or math, he/she must successfully make up the deficiency by private tutoring with a certified teacher in the summer, meeting St. Michael requirements in the Course Completion Requirement agreement by August 1 or repeat the grade.

Fourth - Eighth grade

- In 4th through 8th grade, A student will repeat the grade if he/she fails two or more subjects.
- If a student fails one subject, he/she must:
 - make it up in an accredited summer school program
 - make it up by private tutoring with a certified teacher in the summer, meeting St. Michael requirements in the Course Completion Requirement agreement by August 1.
 - or repeat the grade.
- If a student fails Religion, he/she will be required to make up the work through private tutoring in the summer by a certified Catechist.

The decision to retain a student will be undertaken with great considerations based on several factors, including, but not limited to student data indicating academic ability, social-emotional development, and teacher and parent input. A committee including the classroom teacher(s), participating support staff, academic director, and principal will make a recommendation for promotion or retention. The final decision for a student to be promoted to the next grade, retained, or for a student to continue at St. Michael will be made by the administration.

A student may be retained for excessive absences, based on academic success.

Student Records

Parents and legal guardians have the right to view their child's records. Please make the request to the Principal so reviews can be scheduled. Official student cumulative files contain: Academic transcripts, standardized test reports, final report cards, health records, disciplinary notices, and custodial information (if applicable).

Parent/Teacher Conferences

Parents are encouraged to make appointments to meet with individual teachers at any time during the school year. Parents with a concern or question are asked to **contact the teacher or teachers with whom there is a concern before contacting the administration**. Parent conferences are scheduled annually for each student by the teacher.

Field Study Trips

Field studies, commonly referred to as field trips, are intended to be extensions of the classroom. They are conducted to enrich and provide hands-on learning experiences for students. Field trips are a privilege. No student has an absolute right to go on a field trip. Field study permission forms must be submitted to the teacher in advance for all trips off campus or the student will not be allowed to attend.

Administration has the right to evaluate a students' behavior history and deny the student from attending a field trip if administration feels it is in the best interest of all students.

Students must return to school with their class unless prior arrangements have been made. A parent must request in writing (preferably on the permission slip) that their child leave with them and not accompany their class back to school. Parents may also sign out their own child on an official school sign-out sheet, provided by the teacher in charge.

All students shall adhere to all school rules, dress code, and policies while on a field study and follow the school policy for cell phones and electronic devices.

Parents who are serving as a field study chaperone may not bring their younger children to these events so that full attention may be given to the students in their charge.

Field trip fees are non-refundable once payment for transportation, venue, and/or event has been made. In the event a trip has to be canceled for unforeseen circumstances, refunds will only be made available if the school is refunded by the transportation, venue, and/or event companies. This refund, if available, will be applied to your tuition payment.

The Dean of Students will attend 6th- 8th grade field trips.

Admission Policies and Procedures

Admission Considerations

1. The priorities for admission will be followed. Should a conflict arise in any category, the Principal will consult with the Pastor of St. Michael Church, who will make the final decision.
2. Students transferring from other Catholic Schools have priority over students transferring from public, private, or home school. Non-Catholic alumni have preference over non-Catholics who are not alumni.
3. Entrance in each category will be accepted according to a date of application. Those with earlier dates will be admitted first.
4. Priority for presently enrolled students who are re-registering for the new year is determined by date registration is paid in full (and tuition is up-to-date). Parents who choose to pay prior to the beginning of In-House Registration will have payment posted on the first day of In-House Registration.
5. New students are not accepted in the eighth-grade class. Any exception will be determined by the Pastor in consultation with the administration and Advisory Council.
6. New students will not be accepted in Pre-K 3 after the end 2nd Quarter. Any exception will be determined by the Pastor in consultation with the administration

Priority for Admission (In descending order of priority)

- A. Children of St. Michael faculty or staff members and currently enrolled Pre-Kg-7 students at St. Michael School
 - A1. Siblings of presently enrolled students in Pre-Kg-8
- B. Children of registered and active Catholics of St. Michael Church Parish whose parents are St. Michael Alumni
- C. Children of registered Catholics of St. Michael Parish
- D. Children of registered Catholics from participating church parishes who are alumni of St. Michael School
- E. Children of registered and active Catholics from participating church parishes
- F. Children who are transferring from another Catholic School
- G. Children of Catholic School Alumni
- H. Catholic students requesting entry who are not in a participating Catholic Church parish
- I. All others regardless of the above priorities

Should there be any changes to the policy, they will be published at registration time each year.

Registration of Current Students – Automatic Enrollment Process (2026-2027 school year)

Registration of students currently enrolled at St. Michael School will be at the end of December. Registration fee will be due January of 2026 for the upcoming school year. St. Michael School will use an Automatic Enrollment Process. Current students will automatically be re-enrolled through FACTS for the 2026-2027 school year on December 15, 2025. If you do not want your child re-enrolled for the upcoming school year, you must notify the school by December 8, 2025. A student whose tuition is not current through December 31, 2025, may not register for the upcoming year until all tuition is current.

Custody

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor arrangements that have not been made known. A list of adults (with their phone numbers) authorized to pick up students involved in custody settlements must accompany the court-certified decree and will be strictly adhered to. A child will be released to the non-custodial parent only if written permission is provided to the school office by the primary custodial parent. It is the primary custodial parent's responsibility to submit a copy of the correct certified copy of the custody section of the divorce or separation decree to the school office and keep the school office notified of any changes.

The school respects the rights of the non-custodial parent. In the absence of a court order to the contrary, St. Michael School will, upon request, provide the non-custodial parent with access to academic records and to other school related information regarding the child.

Withdrawal Procedures

Parents who withdraw or transfer a student to another school during the academic year are to use the procedure listed below.

1. Parents notify the principal of the transfer either in writing or by scheduling an appointment.
2. Parents will receive a withdrawal form from the school's secretary after meeting with the Principal.
3. Parents will complete the form indicating the name and address of the new school where the records are to be sent.
4. School will have the librarian sign the form when all library books have been returned.
5. School will have the cafeteria manager sign the form when all charges have been paid.
6. School will have the bookkeeper sign the form when all the outstanding fees and tuition are paid in full.
7. School will have the teacher(s) sign the form when all textbooks and materials have been returned.

Cumulative records of students will be released only after this procedure is completed and all accounts are cleared. A formal request in writing from the new school must be received by St. Michael School before the records will be sent.

After The Bell - Extended Day Program

St. Michael School offers an extended day program that operates as a service to the families who have students enrolled in the school. Consistent with the mission of St. Michael School, **After the Bell**, the extended care program, offers parents a safe, familiar, and loving alternative environment during after-school hours for their children. The program includes time for students to complete and receive assistance with homework, provides developmentally-appropriate recreational opportunities, and provides social interaction. **After the Bell** follows the same discipline policy that applies during the regular school day. **After the Bell** Handbook and Registration forms can be found in the school office or on the school website.

Attendance Policy

Students are to attend all classes every day that school is in session (Louisiana State Attendance Policy – Bulletin 741). A student must be in attendance for 160 full days of school to be considered for promotion. Any student who is absent, whether excused or unexcused, for 20 days or more may be required to repeat the grade based on academic progress and insufficient attendance. Any student absence, whether excused or unexcused, counts toward attendance. Exceptions can be made in the event of extended personal illness as verified by a physician or extenuating circumstances as approved by the administration.

When a student is absent, the parent must call the school office from 7:30 a.m.- 8:15 a.m. to notify the school of their child's absence.

Attendance letters are sent out via FACTS after 5 & 8 absences. After the 8th absence a parent **MUST** attend a conference with the administration.

Absences due to personal illness, medical appointments, serious illness, death in the family, or school related educational trips and activities are considered excused. A note is required from the parent or doctor upon return to school and must be presented to the receptionist.

Students are responsible for all work missed on the day(s) of an absence with that work completed in a timely manner set by the teacher(s). Students missing school on the day of a test are required to take the test in a timely manner set by the teacher(s).

As per Louisiana State Bulletin 741, if a student is present for more than 50% of the school day, he/she is considered a whole day present. If a student is present for less than 50% of the school day, the student is considered a half-day present. For students to be eligible to participate in any extracurricular school function, they must be present for more than 50% of the school day.

Pre-Planned Absence Assignments and Tests (See page 8)

Tardy Policy

Parents **MUST** sign in and obtain a tardy slip from the office if a student arrives after 8:00 a.m. Students arriving later than 11:30 a.m. will be marked ½ day absent and must get an admit slip from the office. Students leaving school before 11:30 a.m. and not returning that day will be marked ½ day absent. **Parents are required, for safety reasons, to accompany their child when they are tardy and check them into the school office. Student(s) must be signed-in by parent or legal guardian if they are late.** Tardy letters are sent out via FACTS after 5 & 8 tardy. After the 8th tardy a parent **MUST** attend a conference with the administration.

Excessive Absences and Tardiness

The parents will be contacted when the administration determines that the absences and/or tardiness have become excessive to discuss a possible plan to rectify the situation. **Excessive absences and tardiness affect student learning and growth and also place a tremendous hardship on the teacher and the rest of the class.**

Sign-In and Sign-Out Procedures

Students who must leave the campus during the school day for illness or other reasons are to be checked out by a parent or guardian through the administrative office. Any parent who needs to pick up a child before the scheduled dismissal **must properly sign the student out of school in the school office.** No students will be allowed to sign out between 2:30 and 3:00, with the exception of illness and emergencies. In the event of an anticipated check-out, the parent /guardian should send a note that states the time of check-out and reason for leaving. Any parent authorizing another individual to pick up a student must notify the school office of the authorization in writing or by phone in the event of an emergency. Students will not be allowed to leave school with an unauthorized person. When the

student returns to school during the school day, the parent **must sign the student in before the student may return to class**. Upon their return, students are responsible for checking with their teachers to get missed assignments.

A student who becomes ill or injured at school is sent to the office to be assessed by the staff or school nurse. Parents will be contacted if symptoms warrant. Students with appointments are to check in with the office on the morning of the appointment to get a validated dismissal slip, which is to be signed by the homeroom teacher and returned to the front office at the time of checkout. Checkouts are not allowed after 2:30 pm.

Arrival Procedures

The campus opens for students at 7:30 a.m. All students should be on campus by 7:50 a.m. for morning assembly. School dismisses at 2:50 p.m. and all students must be picked up by 3:30 p.m. Students left on campus after 3:30 p.m. will go to After The Bell and parents will be charged the daily drop in fee. For after school activities, (Robotics, drama, sports, etc.) students are to be picked up at least ten minutes after the end of the scheduled practice. Any students not picked up after the ten minutes, will go to ATB and will be charged.

Parents are invited to join their child and his or her class for masses, prayer services, award ceremonies, plays, and other student events. Birthday treats and/or invitations to birthday parties should **NOT** be sent to school. Teachers will not be able to accept them or pass them out to the students.

Discipline and Policies

Discipline is to be considered an aspect of moral guidance. The purpose of discipline is to promote genuine student development; to increase respect for duly constituted authority, to assist the growth of self-discipline, to provide an orderly and safe environment conducive to learning and to promote moral and intellectual character.

Our goal is to establish a unified effort by parents, students, and teachers in order to institute a discipline program that builds character in a Catholic environment and will support the efforts of teachers to teach and students to learn.

Students who violate the rules and procedures of Saint Michael School, who violate the rights of another child or adult or who disregard their own responsibilities will be subject to disciplinary action. Any student who engages in conduct, whether inside or outside of school, which is detrimental to the reputation of the school and/or inconsistent with the mission, philosophy or teachings of the Catholic Church may be subject to disciplinary action, including suspension or expulsion.

Certain conduct, which may not be listed in these policies of conduct, may still be determined to be inconsistent with the standards of conduct required by Saint Michael School. It is assumed that the offending conduct will be remedied by the first application of a disciplinary response. However, if the conduct continues, or a more serious conduct occurs, Saint Michael will proceed to more serious forms of discipline.

When a student is assigned an **academic penalty** as part of a suspension, the student must make up all assessments and/or projects missed due to the suspension absence; however, the score on the assessment and/or project will not exceed 69%.

Students at Saint Michael School are expected to exhibit Christian behavior consistent with their age and maturity. Depending on the discipline incident, behavior of the student, and the student's past actions, consequences may include, but are not limited to: verbal reprimand, written assignments, loss of privileges, recess detentions, morning detention, lunch/recess detention, suspension from school activities (athletics, extra-curricular clubs, school trips etc.), suspension from school, or dismissal from school. Additional consequences at the discretion of the Administration may be assigned on a case-by-case basis.

Under FERPA, video footage relating to a disciplinary incident is considered to be “education records” of (1) the student(s) disciplined and (2) the student victim(s). As such, the parents of these students are entitled to review the video upon request (though the school is not required to release a copy of the video to the parents). When the video relating to a disciplinary matter includes footage of more than one student, a parent’s right to review the video is limited to that part of the video relevant to the parent’s child. Also, when the video includes footage of other students whose presence is not relevant to the subject disciplinary action, the school can/should attempt to redact or shield the identity of the other students during the viewing by the requesting parent (for example, by using technology to blur the faces or, alternatively, even putting post-it notes on the screen to cover the images of the other students). In situations that present uncertainty as to whether the identity of other students depicted in the video should be disclosed to the requesting parent, the school should attempt to obtain consent from the parents of the other students to release the video for viewing by the requesting parent, thereby negating any privacy issues. Absent involvement of a formal school disciplinary incident, school video footage shall not be made available for review by parents. The exception to the above is if there is a court order or subpoena requiring the school to produce the video for inspection or copying.

A detention is given for major violations of school rules. Parents must sign the detention form. The signed form must be returned to the teacher or administrator who issued the detention the next school day. Detentions are an indication of serious infractions of school rules. 3. The parents may appeal the decision to the Diocesan Superintendent of Catholic Schools.
4. The Diocesan Superintendent of Catholic Schools, upon receipt of a proper request for diocesan review, will decide whether or not to conduct a formal hearing. The superintendent will inform all concerned as appropriate.

St. Michael students should also remember that they represent the school at all times and they must never bring discredit to their school. St. Michael students should strive to live by the school mission at all times.

The Administration is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at their discretion.

ANTI-BULLYING AND HAZING Diocesan Policy 3018

6/25

Policy Statement

The intent of this policy is to support our Catholic schools' commitment to provide a safe learning environment for all students. As we are all created in God's image and likeness, the Roman Catholic Diocese of Lafayette affirms that all people have inherent dignity. We are called to reflect the values of Jesus in His regard and respect for all people as it is written "So always treat others as you would like them to treat you; that is the Law and the Prophets." (Mt. 7, 12). In this way, we build up the Body of Christ within our Catholic schools. Bullying and hazing creates an environment in which dignity and respect are compromised. Therefore, we attest, bullying and hazing have no place in our Catholic schools.

This policy shall apply to all students and shall be in effect while students are on school property, while on school-owned or school-operated/leased vehicles, while attending or engaged in school sanctioned activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and/or the reputation/welfare of the school.

Prevention/Education

To enhance the education, formation, and safety of our students, schools should endeavor to actively promote positive student behavior while prohibiting inappropriate behavior such as bullying and hazing. Therefore, schools operating in the Roman Catholic Diocese of Lafayette are strongly encouraged to:

- Prohibit all forms of student bullying and hazing;

"Consent" of the victim shall not be recognized as a defense to the school's prohibition of hazing. Hazing may involve harassment, degradation, humiliation, intimidation and/or ridicule to an individual or group, willful destruction of public or private property, or criminal or other offensive acts against third parties.

Harassment & Bullying Policy

St. Michael School does not condone harassment of any kind. As a member of the Body of Christ and part of the community of St. Michael School, each person has a right to be treated with dignity and respect. No student has the right to treat another in any way that will cause physical or emotional pain.

Harassment occurs when a person makes verbal or physical touching, contact, assault, deliberate impeding or blocking movements or any intimidating interference with normal school work or movement.

- **Physical Harassment** includes unwarranted physical touching, contact, assault, deliberate impeding or blocking movements or any intimidating interference with normal school work or movement.
- **Verbal Harassment** includes derogatory remarks, jokes or slurs and includes belligerent or threatening words spoken to another.
- **Sexual Harassment** includes sexual comments, innuendo, invitations, request for sexual favors and/or unwelcome advances and other verbal or physical conduct of a sexual nature.

Bullying is a type of harassment that involves some sort of force, whether overt or subtle. Bullying is **repeated** harassment that can take three forms: physical, verbal, or psychological. Bullying is when someone **repeatedly** hurts or scares another person intentionally. Bullying contradicts the fundamental beliefs of St. Michael School and is unacceptable. St. Michael School has implemented a behavior tracking system with goals to reduce and prevent bullying problems among St. Michael students as well as to improve their peer relations. Once a pattern of bullying is identified, parents will be notified. In addition, Saint Michael School provides annual anti-bullying and safe environment training for its teacher, parents and students. We believe that children can learn that by taking care of each other, speaking out against bullies, and working together, they can end bullying.

This can be done through e-mail, instant messaging, blogs, text messages, and all forms of social media. In the state of Louisiana cyberbullying is considered criminal behavior. Saint Michael School will not tolerate cyberbullying in any form, whether conducted on or off campus. Cyberbullying will be handled as outlined in the school discipline policy. Appropriate conduct is expected in both face-to-face and electronic interactions. Parents or students who feel that they have been the victims of cyberbullying should print a copy of the material and report the incident to school Administration. Reports will be fully investigated.

Students must adhere to the Technology Acceptable Use Policy for continued access to the school's technology resources.

Responsibility

The use of the Internet is a privilege, not a right. It requires that users adhere to guidelines so that internet use be moral, ethical, legal, and efficient. Any user identified as a security risk, or having a previous history of problems with other systems, may be denied access to the school's Internet connections.

Violence Policy

Catholic School Policy, Number 1018, Page 1.7 calls for each school to have procedures in place under the title "Emergency Planning and Procedures". (Diocesan Policy 1018- Addendum)

St. Michael School has a "Zero Tolerance Policy for Violence". Any student exhibiting violent behavior or threatening violent behavior that could result in injury to himself, students, faculty, staff, or other adults may be suspended with consideration for expulsion.

Threats of Violence

Because of the seriousness of violence and even threats of violence that affect school communities today, we believe it is necessary, and we have been directed by the Diocese of Lafayette, to implement policies to help safeguard the well-being of students and school personnel.

Because safety in our schools is of utmost importance and students have the right to attend a safe school, when informed of possible violence or even threats of violence, the school Administration will take the information seriously and follow these policies in addressing the issue:

- We have a no-tolerance policy for dealing with and addressing not only real threats of violence but also those that may be considered frivolous. Even frivolous threats can disrupt the operation of the school.
- In cases where the school is made aware of such threats, the school administrator will contact the appropriate civil authorities and follow their directives.

- If the threat of violence is toward a student or students, the parents/guardians will be contacted immediately.
- If the student is on campus, he or she is to be detained in a safe place according to directions received from the local civil authorities.
- The Superintendent of Catholic Schools is to be informed of the threat and the action that is being taken.
- If the threat is from a St. Michael School student, he or she will be suspended pending investigation.
- If the threat or danger comes from a non-student, appropriate action will be left in the hands of the law enforcement authorities.
- We have a no-tolerance policy for dealing with and addressing not only real threats of violence but also those that may be considered frivolous. Even frivolous threats can disrupt the operation of the school. This policy is being sent to you as parents/guardians and has been communicated to all students in the classrooms. Students are not allowed to draw pictures of or write stories about or post online situations that are violent or that depict real or fictitious violence.

Because each school must be sensitive to this issue, aggressive action must be taken for the protection of all individuals involved. In the event of immediate threat of bodily harm to students, faculty or staff, St. Michael School has procedures for the safety and protection of the students, including notification of the civil authorities, medical assistance, and evacuation.

In addition to the procedures listed above, any student violating the above policy will be suspended for the remainder of the day. Determination will be made as to the seriousness of the incident and to whether or not further punishment is merited including a longer suspension and/or expulsion. Students who make threats may be required to receive psychological assessment and counseling. The student may return to school only if he/she submits a written recommendation for return from a psychologist or psychiatrist and the administration is willing to have the student return.

Please note: A student that is involved in, accused of, or charged with a serious wrong or some inappropriate behavior may be placed on a program of home study by the principal pending the outcome of an investigation or internal review.

Diocesan Policy DP3015

After the investigation is complete, the Behavioral Advisory Council Committee consisting of the Pastor, Principal, Dean of Students, and 2 Advisory Council Committee will review the investigation outcome and review the consequence.

Locker, Desk, and Storage Area Policy

All lockers, desks, and storage areas are property of St. Michael School. St. Michael School is the co-tenant of all these items and areas. St. Michael School Administration reserves the right to search lockers, desks, and storage areas at any time without notice.

Book Sack Policy

To help ensure school safety, any student may be asked to open or empty out their book sack by administration at any time without notice.

Care of School Property Policy

School property damaged by a student will be repaired or replaced at the parents' expense. Disciplinary actions may occur.

Extracurricular Activities

Academic, leadership, service and sports-oriented extracurricular activities are offered to the students of St. Michael School, thus allowing them to participate in activities suited to their interests and abilities. Good sportsmanship and teamwork are positive benefits of extracurricular teams and club activities. Participation in St. Michael School sponsored extracurricular clubs, organizations and/or teams is a privilege and all students representing the school are expected to follow school rules, guidelines and policies at all times. In the event that a student does not adhere to school policies and/or does not represent the school in a manner befitting the school mission, administration reserves the right to, without notice, remove or disallow participation in any given game(s), contest(s), activities and/or event. Parents are asked to review the requirements for each activity with their child and to assist them in making wise decisions about the club and team sport memberships.

The student will not be allowed to participate in practice or games on day/days of the suspension. A student has only one year of 8th grade eligibility. If a student is sent home during the day for disciplinary reasons, he/she will not be allowed to participate in athletic events (including practice or games) or other school events for the remainder of the day. The scholastic rule applies to all student athletes, managers, and cheerleaders. The Athletic Director is responsible for submitting to the principal and to the coach/moderator a list of students ineligible to play at the end of each quarter using the designated form. Administration of Medicine

Parents with children who have chronic conditions requiring the administration of medication by use of inhalers, nebulizers, EpiPen's, etc., or time released medication must meet with the administration or school nurse annually to discuss their child's condition and medical needs. Please contact the school office in early August to set up an appointment to meet with the administration or school nurse.

St. Michael School will not administer or dispense medications of any kind to any student without written authorization from the attending doctor.

1. If a student has a prescription that is time released and needs to be taken while the student is at school, a written authorization from the attending doctor must be verified by the administration or school nurse.

You may find the dates and times of these training sessions by going online at www.diolaf.org. Substitutes, Coaches, and Volunteers

The Diocese of Lafayette requires mandated training for all volunteers, coaches, substitutes, chaperones, room mothers, etc., who have a responsibility with students, to be Safe Environment trained. In addition, all employees, substitutes and coaches must be fingerprinted by the Diocese of Lafayette for a background check every five years. Diocesan Policy 2010

Student Safety

St. Michael School maintains an open-door policy which encourages parents and visitors from the community to visit the campus. Liturgical celebrations, most assemblies, and special events are open to parents and friends. For designated events, students must remain with their teacher and class. Parents may not go to a classroom during the school day to meet with their child, take materials, or talk to the teacher without checking in with the office and getting an official visitor's tag. In the interest of safety, all visitors must check in at the school office to receive a visitor's tag.

Visitors on Campus

The welfare and safety of our students is a primary concern of every staff member. In order to ensure student safety, all persons coming onto the campus are to enter the building through the main entrance and receive a visitor's tag from the reception office. The pass is to be worn on the outside of clothing so that it is visible at all times. Teachers may not release students to anyone, including a parent, who has not had clearance through the reception office.

The following practices will be in place to ensure the safety of our students and staff:

1. All visitors must enter through the school office.

2. All visitors must secure a visitor's badge for further access to campus.
3. All employees will be required to ask visitors not displaying a badge to immediately return to the school office.

School Nutrition

Food and Nutrition Services of the Diocese of Lafayette is dedicated to nourishing your child while they are at school. We provide top quality, nutritious meals to children in a Christian environment. The Food and Nutrition Services Program operates the United States Department of Agriculture's National School Lunch Program, which offers balanced, nutritionally sound meals that meet USDA meal pattern requirements, at a low cost to families.

We strongly encourage your child to eat in the cafeteria and participate in the school meal experience. Every meal served meets rigorous meal planning requirements and includes proteins, whole grains, a variety of fruits and vegetables, and low-fat milk while restricting sodium, saturated fat, and added sugars. Students' exposure to different foods while at school and with their peers can provide an excellent opportunity for nutrition education and practice to try new foods. Children learn lifetime food habits during these early formative years.

Starting with the 2025-2026 school year, pre-kindergarten through eighth grade students can bring their lunch from home without a diet modification form on file. Students bringing bag lunches from home are required to follow strict adherence to the FNS Bag Lunch Guidelines which can be found on our website: www.fns-dol.org.

Please refer to the Food and Nutrition Services Policy Guidelines page on our website which provides further details about bag lunches in your child's school cafeteria:

- Due to student allergies, please do NOT send your child to school with foods containing nuts or peanuts.
- Microwaves will not be available to your child while at school. When packing your child's lunch from home, use ice packs or a thermos when appropriate to keep cold foods cold and hot foods hot.
- If your child's bag lunch is left at home, your child will be served a meal from the cafeteria. Bag lunches will not be allowed to be dropped off at school once instruction time begins.
- Fast food packaging and logos are prohibited in the cafeteria per USDA guidelines.

Students with special dietary requirements can be accommodated by uploading a Diet Modification Form to our website. Even if your child chooses to bring lunch from home, it is *highly recommended* that a diet modification form is still submitted for **all food allergies and intolerances**. Please upload a current, completed form to the google form submission page, located on www.fns-dol.org under "Parent Resources." Diet Modifications must be renewed at the beginning of each school year even though there may not be any changes to your child's dietary needs. **It is the Food and Nutrition Services Policy that this form be completed ANNUALLY by parents.**

Cafeteria Fees

Federal regulations require that all students and teachers pay for their meals in advance. USDA guidelines indicate that there should be no unpaid meal balances at the end of the school year. Parents can make payments by check or they can go to www.schoolpaymentsolutions.com or myschoolbucks.com to set up an account, monitor their child's lunch account, and make payments. Checks should be made payable to Food and Nutrition Services.

Billing letters are generated on or around the first day of the month by your child's cafeteria manager and are emailed to parents. A second bill is generated on or around the fifteenth day of the month for all students who owe money in their meal accounts and are emailed to parents. A list of all outstanding charges is given to your child's principal on or around the fifteenth day of the month.

School administrators are encouraged to collect any outstanding charges in students' accounts through their online payment system during the month of May. Diocesan policy states that any balance left in a

student's account will be rolled over to the following school year. Eighth graders' balance will be rolled into a sibling's account, or if there are no siblings, then a refund is given.

Applications for federally subsidized free or reduced-price lunches for students are distributed yearly. Parents are responsible for filing an application for each child according to instructions and deadlines on the form. The Food and Nutrition Office may authorize the non-payment of cafeteria fees if the circumstance in a particular case warrants action.

Support Services

Many support services are available to our students. If a teacher observes that a student is in need of any of the following services, then he or she must recommend that student for the services.

Counseling

If serious personal problems develop with your child, please consult the Principal or Dean of Students.

Development

St. Michael School instituted a Development Program to provide for the long-term needs of the school. If you would like information concerning the Annual Giving, Building Program, the Teacher Benefit Fund, Memorial donations or the Tuition Assistance Fund, please contact the Development Director at 783-1410. The Development Director also coordinates activities for the St. Michael Alumni.

Enrichment Programs

- Joseph Baldwin Academy offers an enrichment program for academically talented students who meet their criteria.
- St. Michael School offers summer camps for students. Information will be sent to parents as these programs become available.

Fund Raising

Special fund-raising drives are sponsored each year by St. Michael School. Information will be provided to parents. Students are not allowed to participate in door-to-door sales for school fund raising programs.

LEAP Program

Students may be recommended for testing for the gifted program of Acadia Parish (LEAP) and for other gifted talent programs (music, art and drama). The teacher is responsible for submitting names of students with the highest academic ability to the principal. Students who meet the screening criteria established by Acadia Parish Special Education Department will be referred to Pupil Appraisal for evaluation.

Library

St. Michael School library provides a well-rounded selection of books. Students are encouraged to make good use of the library time provided. Library rules must be followed. Students who check out books are responsible for those items. Lost or damaged books must be replaced or repaired at a cost to the student. Books may be checked out for a two-week period and renewed once if necessary. A student may not check out new books until payment is received for lost and damaged library property.

Parent Volunteers

St. Michael School thrives because of the active involvement of the parents. Parental interest in the educational, social, sporting, spiritual, fund-raising, and extracurricular activities is essential to developing an outstanding school. Parents are encouraged to volunteer to help with a wide variety of activities, please contact the SPC for more information.

Saints Parent Club (SPC)

The St. Michael School SPC is an organization whose main purpose is to strengthen, enhance and encourage the educational, financial and social environment of St. Michael School. Its goal is to support the school through our teachers and administration in a social and financial sense as they promote the best educational, moral, intellectual, and physical programs of the system.

The St. Michael SPC encourages volunteerism of our St. Michael parents, grandparents, teachers and administration. The SPC members are comprised of all family and staff members who are associated with St. Michael School.

The SPC Board is comprised of SPC members who are either elected or appointed to the Board positions. The Board positions, along with other committee chairmen, manage the organizational and financial aspects of all SPC functions. The Board meets with all members twice a year. The Board is always open for suggestions.

The SPC operates an annual budget that is a part of the overall school budget and is derived from SPC membership dues and fundraisers. The money is used to sponsor SPC activities and the school needs throughout the year as recommended by the SPC and decided upon by the Principal in consultation with the Pastor.

Testing

All students in second through eighth grade will take the standardized test in the spring.

Remedial Programs

Special remedial programs for students with learning disabilities, learning problems, etc., are available as determined by a process through the Acadia Parish Special Education Office and the Saint Michael School Building Level Committee. Students needing these services will be referred to the Acadia Parish Pupil Appraisal for further evaluation.

Title I Services

Students must be recommended for Title I Services and meet certain criteria to be eligible. Services through Title I are made available on a year-to-year basis following Title I guidelines and student needs. Only students who have qualified for a Service Plan through an evaluation process conducted by the Acadia Parish Special Education Pupil Appraisal and meet the needs for tests read aloud accommodation will have the option to have tests read aloud.
